### Product Description

#### JF6 Abdominal Training Wheel

Four round healthy belly wheel automatic rebound male and female curling belly wheel slimming belly exercise abdominal muscle divine tool for home fitness equipment. Super burning fat, waist and stomach health, Specially designed for beginners with four-wheel four elbow support and abdominal wheel flat support in one. New four-wheel design, four corner positioning, larger contact area, stable and non tipping. Rubber coated wheels are suitable for various floors and do not damage the floor. Durable texture, safe and anti slip, with stronger grip. Elbow support increased by 100%, providing more comfortable prone position with both elbows. Double the area of the elbow support, improving the comfort of the elbow during exercise and assisting the arm in exerting force. Burn fat and slim down, strengthen core muscles, and accurately exercise six core muscle groups including the abdomen, chest, and abdominal back to achieve efficient fat burning. Strong rebound, automatic braking. Assist in exerting force and reduce arm force compensation. Very friendly to beginners and heavy weight individuals. 400 pounds of reassuring prone golden four corner structure, high arched punching arc four corner structure made of high hardness ABS material, making the healthy belly wheel more sturdy and durable. Intelligent sports timing, with built-in mobile phone holder mini program, intelligent sensing, timing and counting functions, fixed holder placement for real-time monitoring of sports data on the phone.
