### Product Description

#### MD-E26 Wooden Rowing Machine

Super fuel multi speed drag rowing machine, with blade opening and closing drag adjustment. Flexible adjustment of strong and weak resistance, balancing the needs of strong and weak resistance, to meet the needs of the whole family. The bearing adopts GCR15 high carbon bearing steel, and the track adopts U-shaped edge wrapping, which is wear-resistant and noise reducing. Low noise, not disturbing neighbors, exercising upstairs, not affecting downstairs. Environmentally friendly PVC foot pads, waterproof and non slip.
