### Product Description

#### Y-901 split action flat chest pushing trainer

The split type flat chest pushing trainer is a multi-functional Hammer series commercial comprehensive trainer for gyms. The equipment theme is made of precision steel pipes 50 \* 80 \* 2.5t rectangular tubes, welded together, sturdy and stable. The handle is wrapped with plastic to improve grip comfort. The back cushion and seat cushion are filled with high elastic sponge, covered with exquisite leather, durable and comfortable. The connecting bolts are treated with anti-corrosion to avoid rusting. The four corners are protected by thickened rubber mats, which better stabilize the equipment and effectively protect the ground. The product supports customization.
