Product Description

QB-1062 Adjustable Abdominal Board

Adjustable abdominal muscle board is a professional fitness equipment designer designed specifically for abdominal muscle exercise, verified by professional fitness coaches, and has achieved good exercise results. The product is welded with precision steel pipes, supported by a three-point structure, and equipped with movable rollers for easy movement and storage. The angle of the board cushion can be adjusted in multiple levels, suitable for a wide range of users to use. The board mat is covered with high-quality leather and high elasticity sponge, making it more comfortable to use. The regular color is black, and other colors can also be customized.
