Product Description

W100-Treadmills, Household Small, Foldable Smart Walkers, Ultra Quiet, Indoor Fitness Equipment

Upgraded version W100, an intelligent treadmill that truly understands you, and a creative intelligent jog brought by the technology intelligent laboratory. No installation required, easy to run at home. One click rotation button, designed for one click control, with operations such as on/off/speed adjustment settings concentrated on this button. Different functions are achieved through short and long pressing, as well as rotation. Multiple control operation modes, 12 speed adjustment, and music running. Experience a realistic running experience, with diamond textures simulating the road surface and multiple adjustments simulating the slope, ensuring safe shock absorption and smooth running.
