Product Description

Household women's electroplated dumbbells, men's fitness arm dumbbells, gym commercial dumbbells

Electroplated dumbbells are a common fitness equipment with the following characteristics:

Brilliant appearance: After electroplating treatment, the surface is smooth and glossy, and the appearance is relatively beautiful.

Strong corrosion resistance: can effectively resist the erosion of sweat, moisture, etc., and has a long service life.

Good hand feel: It is comfortable to hold in the hand and not easy to slip.

Clear weight: Usually with clear weight markings, it is convenient to select and adjust training intensity.
